V-22 Mission Planning System

Greg Gibble
RIndy

Test Plan Certifications

- **VMPS Test Plan**
  - Software Integration
  - FQT
  - V-22 System Integration
  - JMPS Certifications
    - **Time to complete all certifications is unknown ??**
      - COE
      - Security
      - JMPS Integration
      - Interoperability

Question: Does a V-22 annex need to be generated for the JMPS TEMP? When? What content? In what format?

VMPS Milestones

- A JMPS Based VMPS Delivery Date to Aircraft OT 01-Oct-04
  - 2 to 4 weeks required for NAWCWD integration
  - Time required for PMA –233 cert. letter?
  - Time required for security cert.?
  - Time required for COE cert.?
  - Time required for Interoperability cert.?

Issues

- JC1 Programmers Reference Guide – When?

- Mission Binder Design Definition – When?

- Extensibility of Calc
  - TOT is not configurable by a UPC
  - Climb/Decent calculation is not configurable by a UPC

- DTM Declass
